

SPEAK TO THE LAW and TO THE TESTIMONY

or

THERE IS NO LIGHT

THESE IS NO LIGHT

TEXT: *Isaiah 8:20: To the law and to the testimony; if they speak not according to this word, it is because there is no light in them.*

If any man or woman comes to us with any doctrine that is not according to the law and testimony of the Lord, let us understand that they are from the Evil One, and that they are enemies of righteousness. They have no light in them. You will find that these people are consulting familiar spirits, first, and last, they attack the Word of God. They don't believe it.

Isaiah 8:19:

And when they say unto you, Seek unto them that have familiar spirits, and unto wizards that peep, and mutter: should not a people seek unto their God? for the living to the dead?

What is that but table-rapping, and cabinet-hiding? If it were a message from God, do you think you would have to go into a dark room and put out all the lights? In secret, my Master taught nothing. God is not in that movement, and we want — as children of God — to keep ourselves from this evil.
